COMMUNICATION

Sir:

The applicants received a Notice of Allowance dated December 8, 2006, in the above-identified patent application. The Determination of Patent Term Adjustment Under 35 U.S.C. 154(b) indicates that the patent for this application would be eligible for 480 days of Patent Term Adjustment. However, the PAIR record fails to deduct 3 additional days of applicant delay for a Supplemental Response filed on September 22, 2006. Therefore, applicants believe the patent is only entitled to 477 days of patent term adjustment.

Respectfully submitted,

Frank C. Eisenschenk, Ph.D.
